5th January 2009

Declaration regarding the RoHS regulations

All Bulgin products conform with the following regulations regarding the use of certain dangerous substances and preparation that includes Pb-free soldering, and components free from Lead (Pb), Mercury (Hg), Cadmium (Cd), Hexavalent Chromium (Cr6), Polybrominated biphenyls (PBB) and Polybrominated diphenyl ethers (PBDE), (including Deca BDE):

European Directive 2002/95/EC on the Restriction of Hazardous Substances (RoHS).

We have made the above declaration in good faith based on the information received from the supplier of the raw materials and the components manufacturers.

For and on behalf of Elektron Components Limited

John Wilson
Technical Director
